THE PLACE: **Four Seasons Party Rentals** has been helping Grey Bruce residents raise a ruckus for 27 years from their Markdale storefront and warehouse. “We’re a family business,” says Debbie Janzen, who operates Four Seasons alongside her husband Harry and daughter-in-law René. The company specializes in all manner of party gear, from tents to linens, dinnerware and tables. They have it all. With a little digging we unearthed unique cake toppers (a tiny bride and groom astride a motorcycle), decorative bird cages, a cotton candy cart and a disco ball. As if that wasn’t enough, they also do it all: weddings, corporate functions, family soirées, you name it.

THE STYLE: “Quality you deserve and service you trust,” emphasizes Debbie. Any event is completely customizable with the help of Four Seasons, she explains. The company prides itself on having the largest selection of rentals in Grey, Bruce, Simcoe and Dufferin counties, with over 150 different colour and style options available to party planners. They’re also currently expanding into tradeshow and home-show drapes.

WHAT’S HOT: It’s no secret vintage is in vogue. Vintage, country-style weddings are all the rage with brides, and Four Seasons is accommodating them with solid wood Mennonite harvest tables and eclectic collections of china place settings. The company recently started offering tent liners and event flooring as part of their repertoire, which helps

minimize the physical presence of a tent by hiding poles and ground cover. Times are always changing though. “We are continuously expanding our inventory to meet the current trends,” adds Debbie.

FAVOURITES: One of the greatest services offered at Four Seasons is visual setup in-house. “We put together customized table-setting options in our shop to help our customers plan their special day,” says Debbie. They also perform site inspections for outdoor parties. Their extra efforts help events go off without a hitch.
