ART INSPIRED

PHOTOGRAPHY **BONNIE FOX**

THE PLACE: When her husband retired, Valerie Mills decided that the gallery of 25 years on Bell Farm Road was too large for her to manage on her own. Recently, she moved to a smaller but busier location on Cedar Pointe Drive, and has named her new store **Inspired by ART Gallery**.

THE GALLERY: Original art, fine art reproductions and photography by local and internationally renowned Canadian artists, as well as majestic stone sculptures are exhibited here. Art enthusiasts are invited to register with the gallery for notifications of the twice yearly Meet the Artists art shows. Whether your taste

leans towards modern, contemporary or traditional art, Inspired by ART Gallery will satisfy your appetite.

THE GIFT SHOP: This shopping experience offers charming, original and creative gifts by Canadian craftsmen that inspire the artistic senses and includes artisan jewelry, blown glass, burl wood bowls, stone coasters, real maple leaves electroplated in bronze, gourmet delights, crystal suncatchers, and earthly treasures for the rock hound in you. Valerie travels extensively to introduce her customers to irresistible new gift ideas each season.
