# FUN<sup>AND</sup> FUNCTIONAL

STORY **GINA MAKKAR** | PHOTOGRAPHY **TARA WEST**

From fun to function, this summer's experts have the solutions you need to make the most out of work and play.

## GREG WOOLVETT *Pro Sport Athletics*

**Specialty:** For 17 years, we have been creating realistic backyard putting greens and grass spaces using the latest technologies and employing a scratch golfer, General Manager Doug Webster.

**What makes your product unique?** We believe in offering the most realistic product at a competitive price. We also offer follow-up service programs to keep your purchase attractive and functional.

**What's new and hot?** This year, we are featuring our "Stroke Saver" green product. It's well priced and putts like a real green. It's a dynamic improvement to any backyard setting!

*Monkey Bar Storage*

**Specialty:** We manufacture versatile, durable and cost-effective garage storage systems. We customize storage solutions to meet your unique and changing lifestyle. We even stick around after the installation to help you hang your things.

**Why are storage systems important?** They help keep items off the floor and allow you to find what you are looking for quickly. Storage systems create order, make the most of any space and take better care of your gear. Make space and park your car in the garage come winter!

**What's unique?** From snowboards to golf clubs, bicycles to fertilizer spreaders and wheelbarrows, we have virtually every kind of storage solution for your gear. Our shelving is designed to hold 1,000 pounds per four-foot section, and our products never wear out or break and come with a lifetime warranty. **OH**
