

# SUMMER GARNISH

A quick guide to steer those warm weather wanderings.

STORY AND PHOTOS **WALTER FRANCZYK**

**1 BURROW**

**Bent Ply Armchair**

This roomy lodge chair in chestnut brown leather and walnut veneer over bent plywood will comfortably seat you or your guests at home, the cottage or office. It also comes in grey fabric. The hand-screened denim pillow by Nicole Tarasick is feather-filled and made in Ontario.

**3 COBOURG PAINT & WALLPAPER**

**Aura Paint**

Breathe easy with Benjamin Moore's top line, one-coat paint. It's mildew resistant and free of volatile organic compounds (VOCs). Colour-lock technology ensures your chosen hues last long, even after many washings. This paint can be used in any room or exterior applications.

**4 LEON'S FURNITURE LIMITED**

**Glass Top Boat**

A canoe-shaped cocktail table with an oval top of thick tempered glass enhances any escape to the lake. Built of sturdy hardwood and finished in oak veneer, it has plenty of display space underneath the glass. The table is part of Leon's fanciful Beaufort collection, which includes end tables, sofa tables and a bookcase.
