

THE ELECTRIC CITY

BY ALEXANDRIA BARKER // PHOTOGRAPHY BY JAY ROBINSON

Peterborough is known as the gateway to the Kawarthas. It's earned the nickname "The Electric City" due to the current and historical importance of technology and manufacturing as its economic base. Peterborough is a major shopping destination for the region. Rich in heritage, it is host to an array of museums, cultural exhibitions, indoor and outdoor galleries and theatres, historical sites, as well as a vibrant arts community.
