Take a short break from the slopes and head out to the many fabulous shops in Southern Georgian Bay that offer wonderful, unique accessories and furnishings for your home, chalet or lodge.

(1) Sofa

This fabulous Lee sofa's knife edge detail adds a touch of modernity to the ubiquitous slipcover. A stylish approach to an otherwise been-there-done-that sofa covering.

(3) Recycled Wool Blankets

These handsome recycled wool blankets are made from thrift shop sweaters, washed and patched together by hand. Soft enough to cuddle with and heavy enough to stave off that winter chill.
