**THE COMPANY:** The name **Mondeau** says it all and it is, indeed, a world (monde) of water (eau). Any product found in your bathroom or kitchen that would come into contact with water can be found here, in more styles, designs and materials than you could possibly imagine. And set aside ample time to browse through this 12,000 sq. ft. showroom, because you'll be stopping to ooh and aah over products that maybe didn't make your shopping list, but are definitely in your wildest dreams. A division of Boone Plumbing & Heating Supply Inc. – an industry leader that has served the National Capital Region with distinction since 1937 – the Canadian-owned and operated Mondeau is celebrating its 20th year. They have two additional locations in Kanata and Gatineau.

**WHAT'S ON TAP:** A corner to keep the youngsters occupied and a designer meeting room to mull over plans and specs over fresh coffee make for a relaxed and uninterrupted visit to this east end location. Naturally, in-store consultations are free and booking one in advance is highly recommended, according

to Marco Belanger, Mondeau director of operations and development. "We tend to get busy during certain times so having one of our non-commission consultants work with you will help you find exactly what you're looking for in our vast selection, at a price that suits your budget," he says. While Mondeau is known for luxe and exclusive names, many lines won't break the bank. There's also a wide range of assisted-living products to help people with reduced mobility. Free delivery and financing are also available.

**MULTI FAUCETED:** Elevating bathroom and kitchen design to a new level with the latest products, Mondeau is the exclusive supplier of respected names like Vanico Maronyx Distinction, Brizo, Maax Collection, PierDeco and Kalia. But looks aren't everything. To experience the different features and benefits before making your purchase decision, take your pick among the more than 100 fully functional shower, kitchen

and bathroom faucet models on display. Simply turn them on and choose the one that's right for you.

**GET THERE:** 1282 Algoma Rd., Ottawa 613.746.8560 | [mondeau.ca](http://mondeau.ca) OH
